**Teaching Experience**

I have been a private tutor for 4 years. During this time, I have taught over 25 students with ages ranging from 2nd to 12th grade. Subjects I have taught include but are not limited to SAT, ACT, AP Calculus, AP Chemistry, AP Language Arts, Pre-Calculus, Algebra, Geometry, Music Theory, Singing, and a variety of instruments. All my past students have given me a 5 star rating.

**Tuition Approach**

I begin by having my students take a practice exam. Using the results, I form a curriculum for the student based on their weaknesses and seek to reinforce the concepts that they have the most trouble on. Moving forward, I make sure they understand how to solve every single question on the practice exam before moving on to more practice.
